

Architectural elevation drawing of a building facade. The drawing shows a central entrance door with a small transom window above it, flanked by two large windows on each side. The facade is composed of light-colored rectangular tiles. The roof is a flat, light blue structure. Two thick, orange vertical columns are positioned on either side of the facade. Dimensions are indicated on the right side: 3.800 (total height), 3.600 (height to the top of the facade), 2.600 (height to the top of the windows), 0.700 (height of the door transom), 0.000 (ground level), and PIB.3 (a label for the ground level). The drawing is labeled with '2' on the left and '1' on the right, enclosed in circles.

The architectural floor plan shows a rectangular building with a semi-circular entrance on the top side. The overall dimensions are 6700mm in width and 4090mm in depth. The plan includes various internal dimensions for walls, columns, and the central hall area. The central hall is labeled '1'. The entrance features a semi-circular archway. The plan is oriented with a north arrow pointing towards the top right.

Площа під розміщення  
тимчасової споруди - 30.40 м2  
Загальна площа - 26.80 м2

The diagram shows a cross-section of a building facade. A grid is used for vertical alignment, with markers on the left and right. The left side has markers at 3.800, 3.600, and 2.600. The right side has markers at 0.700, 0.000, and -0.050. The bottom of the facade is labeled with 'А' and 'Б' in circles. The facade itself is composed of a central grid area with a blue rectangular feature, flanked by brown vertical elements. The top of the facade is a light blue horizontal band. The bottom of the facade is a brown horizontal band. The grid lines are labeled with numbers: 3.800, 3.600, 2.600, 0.700, 0.000, and -0.050. The bottom of the facade is labeled with 'А' and 'Б' in circles. The facade is shown in a cross-section view, with the grid lines indicating the vertical alignment of the building elements.
